

Abbaston Fire Brigade

Information from the CFS Promotions Unit Archives

Abbaston Brigade - 1980 to Unknown

In 1980, the brigade of Poppleton was registered as a CFS brigade which appears at the same location as the property Abbaston, 26 Abbaston Road, off the Springton Road. The Secretary of the brigade was a Mr L.A. Gallagher in February 1980. A 1956 Bedford J1 was the appliance listed for brigade use, and its registration and history are unknown.

It appears the brigade had a name change to Abbaston from 1982 and in 1983, the CFS Membership return shows 2 members registers, Colin and Mary Hagger living at the property Abbaston, Williamstown.
